Dear Mr. Wessell,

Thanks to your investment I am another step closer to my dreams. Before I began my involvement with Junior Achievement I wasn't sure how feasible it would be for me to open a café of my own. Through the volunteers and workshops at JA Business week, I have become more confident in my dream and acquired experiences that I may not otherwise have gotten. I was CEO of my company and had a great time working with others, sharing a mutual goal. I can't wait to use what I have learned in my life. Working in the food industry yourself, surely you know how exhilarating it is to see a customer's smile. I hope you can imagine me with that same smile.

Thank you for giving me hope in my dream,

Cayla Steger
